

# 2017 ICCS&T and 2017 ACSE

25 – 29 Sept 2017

Beijing International Convention Center, Beijing, China

## Short Abstract Preparation Instruction

## Short Abstract Preparation Instruction

The short abstract will be used by the 2017 ICCS&T and 2017 ACSE Committee as the basis for acceptance of the paper for presentation at the conference. The abstract must address a topic of interest to the aspects of energy science and engineering, particularly coal science and technology, bioenergy/biofuels, fuel cells, energy storage materials and related areas. The deadline of short abstract submission is in 31 March 2017 (for more detail please visit website [icstacse.cumtb.edu.cn](http://icstacse.cumtb.edu.cn)).

This short abstract should be lesser than 250 words, not more than 1 page in length, the short abstract clearly state:

- Briefly and clearly describe the research background and hypothesis of the study.
- A short description of your research method.
- Describe the precise findings of the study; promises of results “to be determined” are not acceptable. Describe what you found and include data.
- Describe logically sound conclusions and reliable inferences from the study results. Why are the study’s findings important?

## ABSTRACT FORMAT GUIDELINES

The format for short abstracts consists of 1 pages of text without supporting data, figures and references. Pages should be A4 (210×297mm) with margins 1 inch (25.4mm) on all edges. At very beginning in the first line, please write down your research area according the topic catalogue in “[2017 ICCS&T ACSE Call for paper](#)”. The main title suppose to be in 24 pt with bold only which is above the authors’ information. One “**short Abstract**” label in bold must be located between authors’ information and main content. Authors’ name and main content suppose to be in 12 pt font size . All text must be in Times New Roman. One Enter space is required between each sections of information.

The authors’ information should include the name(s), email address(es) and workplace(s) of primary author (or presenting author, author<sup>1</sup>) and senior author (author\*) respectively. One [template](#) abstracts to be used as guidelines can be downloaded in conference website.

## ABSTRACT SUBMISSION INSTRUCTIONS

The abstract must be converted to **Adobe PDF** for electronic submission.

Short abstracts can be submitted through 2017 ICCS&T and 2017 ACSE conference login system ([icstacse.cumtb.edu.cn/login.asp](http://icstacse.cumtb.edu.cn/login.asp)).
